Commencement 1944

AMONG the arches that we love, there stir
Long thoughts and longer musing of our debt,
Much greater than we know, to this deep calm;
After what must come we will remember this.

Mortality transcends its bonds, as cool
Among the columns moves the mist, the fog
That marks the unreality, the sure
Eternity that is this dream; and Peace
Rolls strongly through that dream, our priceless trust.

Sure now the time moves on its heedless way,
Each chime marks how the moment marches on,
When we must leave cool havens for the fears
And hells that lie in wait for our young hands;
Now breezes stir those last sweet tunes that shall
Envelope all our memories, and we,
Enticed to try our steel with Fate, depart.

WHEN THE NAVY CAME TO SEWANEE July 1, 1943, there began a great adventure both for the University and the trainees who had been selected to receive half of their college education at the Navy's expense.

The University has had a large task. Since the requirements for becoming a Naval officer are such that the student must have an Engineering background, many changes had to be made. Instructors formerly in Music and the Arts now were called upon to teach Mathematics, Physics, and Engineering Drawing. English and History have not been neglected in the Navy curriculum, because no small part of the emphasis is based on the building of character, for which these subjects are necessary. Psychology has been taught to all, that they might better understand the men they will lead when they go to active duty after Midshipmen's School.

The Navy has had some taste of the military discipline while in college: reveille at 0600, calisthenics at 0605, inspection at 0705, chow 0730, classes, drill, study hours from 2000 to 2300. War is not a time of ease, thus a wartime education is not a period of sweetness and light.

On the following pages are shown the comingled anchor and gown, a work of war that is not headlined, but quietly preparing for a shorter war and a longer peace, through education.

INTRAMURALS A HIGHLIGHT

IN this semester, as has been the case in all previous semesters, one of the highlights of the Navy program at Sewanee was athletics under the intramural program. By combining the necessary physical exercise with the enjoyment of intense competition, the intramural program has produced an athletic and physical training set-up equally satisfactory to both naval authorities and the trainees. It is for this reason that such a program was devised and will continue in the ensuing semesters.

The entire program was stimulated by awards to the winning teams and to individuals. Trophies are presented to the winners of softball, track, basketball, football, swimming, tennis, golf, handball, and volley ball; trips are given to the champions in touch football and softball; and all-star teams are selected for exhibition games in all team sports. The combination of these awards with the desire to win develops a higher spirit of competition among the various participants. This spirited play produces exciting games for both spectator and player.

Sewanee leaves the intramural program in only two sports—track and football. The single departure during this semester has been the football team, which is a combination of intramural and intercollegiate sports. After playing three intersquad games, the two squads joined together to meet Georgia Tech "B" team and Vanderbilt in home-and-home series.

In addition to the football team, other activities of the past semester include and interplatoon softball league, an interdormitory softball tournament, a cross country race, a tennis tournament in singles and doubles, and a golf tournament. Before the end of the semester a touch football league and a varsity golf team will be in action.

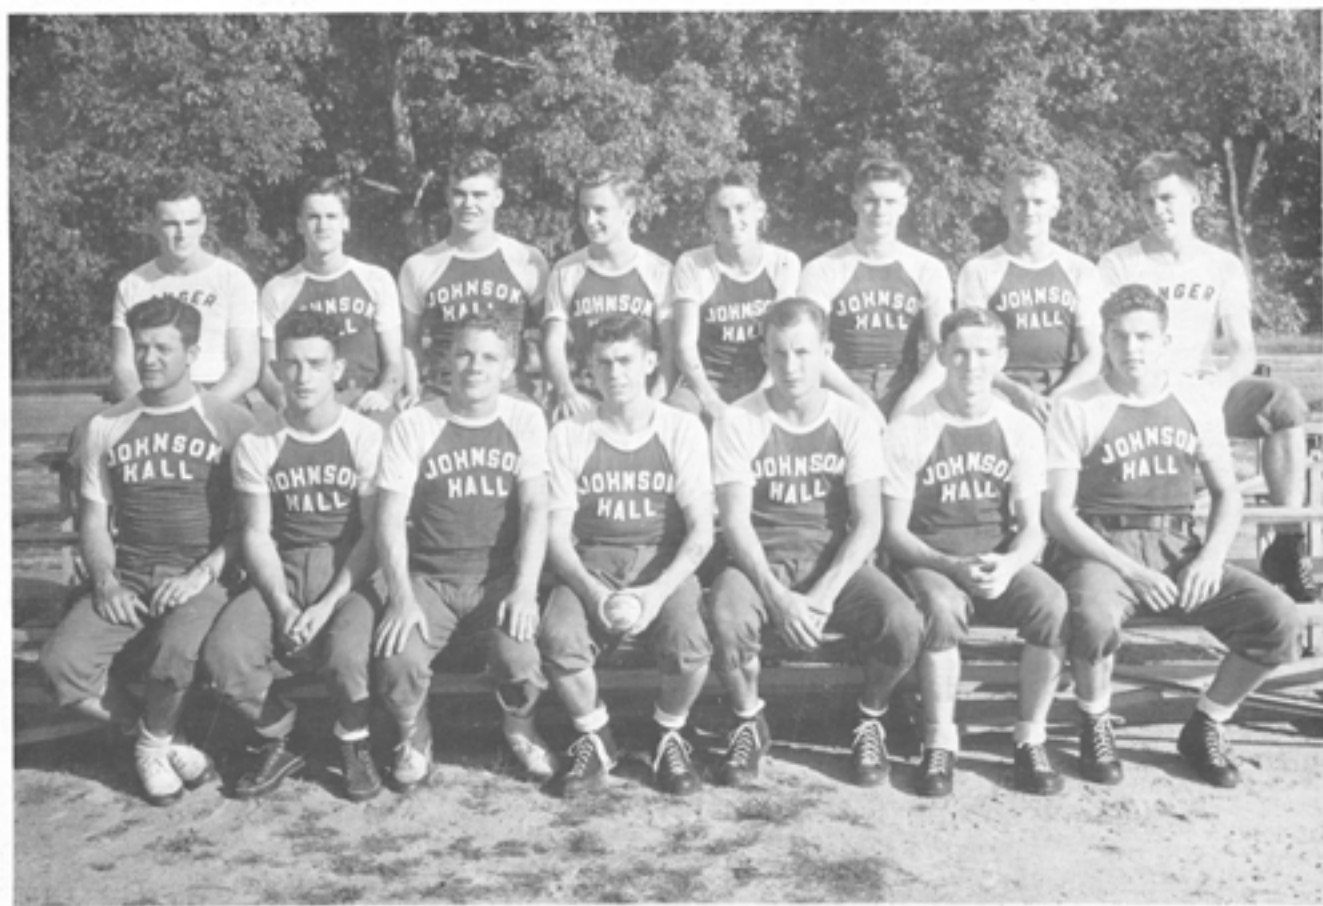

Perhaps, the greatest single influence in the success of the athletic program at Sewanee, has been Harris C. Moore, the Athletic Director. Through his unceasing efforts, the intramural program has been a success for both trainees and civilians.

In appreciation of his efforts, the sport section of the GOWN AND ANCHOR is dedicated to Coach Moore.

PENSACOLA CAPTURES SOFTBALL CHAMPIONSHIP

SURGING back after two early defeats, the Pensacolas captured the summer softball trophy by stopping the Shangri-La, 10-5. This game was the final of an elimination tournament of the four top teams.

Until the last week of the season, the Enterprise team was riding along with eight straight victories and seemed to have the championship in the bag. However, the Pensacola's star pitcher, Hubert Snow, bested B. I. Bailey, captain of the Enterprise, to give the Cannon Hall team an upset victory. This defeat of the leaders threw the race into a four way tie between the Enterprise, the Pensacola, the Shangri-La, and the Wasp.

In the first game of the playoff, the ten old men of the Shangri-La, who had dropped the Enterprise, 2-0, defeated the Wasp. Meanwhile the Pensacola made it two in a row over Bailey by a 3-2 count. This was followed by the wild Shangri-La—Pensacola championship game and victory for Bob Stokes' Pensacola ten.

As an award for winning, the champs journeyed to Birmingham to play a Howard College All-Star team. For the third successive time the Sewanee champs defeated Howard by a score of 8-5.

ALL STAR TEAM SELECTED

The fourteen captains combined with Coach Moore and his assistants to select the summer All-Star team. Unfortunately, no game with an out-of-town team was arranged, after one of the better Chattanooga teams canceled a scheduled tilt. Three men were selected by unanimous vote—Burk Bailey, Enterprise pitcher, Frank Brumit, Enterprise infielder, and Ralph Lawson, Yorktown outfielder. These three, along with Marshall, Kyle, and Streicher, were repeaters of the spring star team. The team: Bob Stokes, Pensacola and Farrell, Enterprise, catchers; Bailey and Hubert Snow, Pensacola, pitchers; Albert Stone, Yorktown, 1b; E. J. Wilde, Yorktown, 2b; John Marshall, Ranger, ss; Brumit, 3b; Lawson, Dick Young, Bert Kyle, and A. R. Yole of the Rangers, and Ralph Streicher, Texas, of; C. V. Flowers of the Wasp was the utility infielder.

JOHNSON HALL DORM CHAMPS

In a new week-end league, the well balanced Johnson Hall team, won the Dormitory Championship with apparent ease. Coming into the final game, Cannon Hall was also undefeated, but they faltered before the Johnson team, 11-0, to drop the Championship.

Third row: Cannon, Strader, Pitts, Volz, Morton, Jones, Hodge, Esslinger, Barrick. Fourth row: Willie Six, trainer; Lamons, Mgr.; MacDonnell, Mgr.; Chief Reid, Coach; Coach Moore.

SEWANEES DEFEAT HARDEES 13-0 IN FIRST INTRASQUAD GAME

CON September 22, the 1944 Intrasquad Football Series was inaugurated with a 13 to 0 victory for the Sewanees over the Hardees. The game was played at Hardee Field with a large turnout of Naval Trainees and residents of Sewanee. It marked the first of a series of three games between the two squads in preparation for future intercollegiate contests.

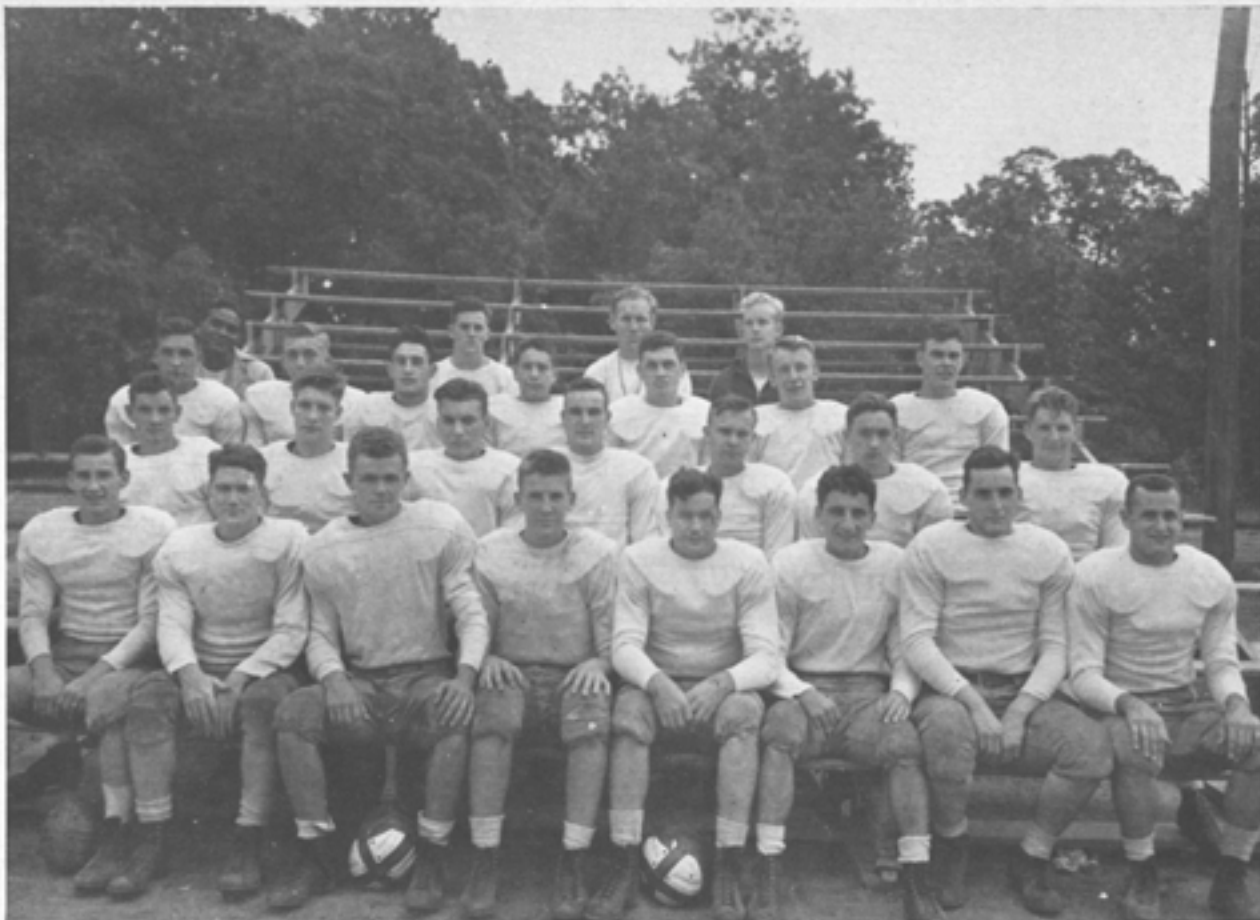

The Sewanees, coached by Harris Moore and Chief Reed, proved too powerful for Coach George Hall's and Chief Kerrissey's white-clad Hardee squad. Hampered by injuries and loss of key linemen, the Hardees were unable to stop the Purple's strong running attack.

The first quarter featured a punting duel between the Sewanee's Chuck Flowers and the Hardee's captain, Dick Young, with neither team being able to penetrate the other's territory. The quarter ended with the Sewanees in possession of the ball on their own 30. The second period

opened with a sustained drive leading to the first score. Two penalties, a short pass, and Flower's elusive running placed the ball on the Hardee's three. On the next play Esslinger drove over for the score. Lawson converted. The end of the half found the Hardees on the Sewanee's 34 as a result of an intercepted pass by Young.

A poor punt gave the Sewanees possession of the ball on the 50 early in the third period. Taking quick advantage of the break, Flowers ripped off 49 yards to the 1. Again, Esslinger smashed over for the score on the first play. Lawson's attempted conversion was blocked.

Midway in the fourth quarter the Hardees came back strong with their longest drive of the day. Taking over on their own 20, two first downs by Young put the ball on their own 41. A 16-yard pass from Rhodes to Young and three running plays gave a first down on the opponent's 18. After moving to the 14, a pass interception by

Leach broke up the threat. As the game ended, the Sewanee's had marched back to the Hardee's 35.

The line play of the Sewanee's Captain Bob Stokes, Roy Brock, and Bert Hodge was the standout in the Purple's strong defense, while Chuck Flowers and Sam Esslinger led the offense.

Dick Young's outstanding play was the mainstay of the Hardee team. He was ably assisted by George Whitehead, Rhonwin Rhodes, Bob Moore, and Ralph Streicher. All players on both teams made creditable showings and the spirited play made the game thoroughly enjoyable.

HERE is little we can say, even to ourselves, to reconcile us to leaving Sewanee. We have loved, and will cherish the hours spent on her spacious grounds, in the refreshing shades of the trees, at the Union, and at the warm firesides of the faculty. All is beauty here. We have come from an alien world, and have been transformed not only by the excellence of Nature's beauty, but by that beauty which flows from the people of the Mountain. We have felt the quiet awe at Chapel, and everywhere does the serenity pervade our personalities, uniting us in a single spirit that will be ever with us.

We leave, but not without a bit of regret, a fullness of heart, which tells of the pleasant sixteen months which have stolen so quickly into the past. Soon we will have but the pleasant memories to console us for our nostalgia..

Au revoir, Sewanee, we hope for yet another day!

Alma Mater

Alma Mater Sewanee,
Our Glorious Mother ever be.
I will give my all to thee—
God Bless Thee 'till Eternity—
Thou canst make me worth the
while,
O Guide and shelter me
And all my life, through storm
and strife,
My Star thou'lt be.
